

*"My Lord, my God,
Through you I know I can do no harm.
I understand that I can do nothing on my own.
I call upon your help to mend this situation.*

*My Lord, my God,
Please work your power through me,
And let your light and beauty shine through
And onto all of us.
Forever, I call upon ye.*

In your name we will always bow our heads,

We love you.

My Lord.

Amen."
